BANDOOK®

BANDOOK BREAKFAST

बन्दूक नाश्ता

8AM - 11AM

Indian Breakfast, also known as Nashta plays an integral part in our daily life.
It holds a great significance in the sub-continent, the first meal of the day shared together as a family.
A typical Indian breakfast includes a selection of sweet and savoury items, made using fresh ingredients and authentic spices, rightly delectable and nutritious.
Here at Bandook, we have created a wholesome Breakfast Menu to reflect the importance of a Traditional Indian breakfast, bringing families and communities together. We aim to kickstart your day on a positive note, to strengthen relationships with our Bandook new and existing Patrons.
We welcome you.
