BANDOOK®
— CARGO —

The word “Bandook” literally means “gun” or “rifle” in the Hindi/Urdu/Bengali language and takes its cue from when British soldiers used it widely when coming into contact with Indian troops during the Raj.

Deeply entrenched within the culture of the Subcontinent, the word continues to be used throughout South Asia. Forceful, robust, potent, strident and powerful - Bandook Kitchen certainly meets the criteria.

Paying homage to Indian heritage with our superlative Indian street food cooking, affable service and fabulous surroundings – welcome to Bandook, please take a seat!
