BANDOOK®

Tiffins are widely used in India, popularly in Mumbai where Tiffin-Walas (Also known as Dhabawalas) would pack a 3-4 tier of aluminium made tiffins ready to deliver to the office workers in time for lunch. This deliverance system goes back many to the 18th century, during the British - Raj, the British Sahib's loved a light but nutritious lunch and a stiff drink. Presently, in India, it is the most sought after way to deliver lunch to the workers, it is compact, warm and bursting with flavours. Here at Bandook we want to deliver that true Tiffin-Walas lunch experience.
For every Tiffin Lunch ordered, £1 would be donated to the Dabbawala Charity in Mumbai (visit our website for more info).
